Cordless 830Laser.....\$9,995

This is our flagship system that offers complete portability. Perfect for the busy office or home health care agent. There is no cord, no hassles and no limitation. It includes:

1. Laser (x1)
2. Rechargeable batteries (x3)
3. Battery Recharger and mW Tester (x1)
4. Eyewear for Protection (x2) w/lens cloth
5. Carrying case - small (x1)
6. Carrying case - large (x1)
7. Remote Interlock Switch (x1)
7. Disposable head covers (x 20)

Direct Connect 830Laser.....\$4,995

This basic system allows laser operation and treatment wherever an AC outlet is available. It's highly affordable and delivers the same quality laser light. It includes:

1. Laser with cord (x1)
2. Eyewear for Protection w/lens cloth (x1)
3. Carrying case - small (x1)

Clinician-To-Clinician (CTC) Program.....\$14,995

You not only get both the Cordless and Direct Connect units described above but you also qualify to receive referral bonuses outlined below:

\$1,000 per Direct Connect unit leased/sold

\$2,000 per Cordless unit leased/sold

\$3,000 per CTC program leased/sold

Two units allow you to grant a "loaner" to interested clinicians to try-out. We do not recommend loaning out units for more than a couple days. Make sure to use the Loaner Program Form.
